Spring is in full bloom! Winter is over, and we are getting ready to plant our garden. Spring is also a time for new beginnings; flowers are blooming, butterflies are about, and the grass is greener than ever! Spring is a fun time to have lessons on birds, bees, lady bugs, caterpillars and butterflies.

The children will be having their annual eye exams on April 3 and 4. These exams are free thanks to the California-Hawaii Elks Major Project, Inc. We have your child's permission slip in their file.

Thank you to the all the parents who helped with our Easter Egg Hunt and Party. The children had an "egg"cellent time!! April also brings "Earth Day" and National Jelly Bean Day on April 22. Earth Day teaches us to "recycle, reduce, and reuse"! We have a fun jelly bean activity planned also.

National Library Week is April 8-12 . Storytime is one of our children's favorite time of the day, and an integral part of our curriculum. I would also like to extend a thank-you to The Whittier Woman's Club. They donated \$100.00 for our library collection.

We hope you will join us on Thursday, April 4 at Chick-fil-A (Whittwood). Between 5-8 pm. A percentage of the sales will be donated to the preschool. Please show the flyer you received, or mention the preschool at the counter or at the drive-thru.

Those of you who use the paper sign in/out sheet, please be sure to use your **FULL** signature, not just initials.

Save the date: Saturday, May 4 is Volunteer Work Day at the Church and Preschool. We need volunteers of all ages to help with various projects. The preschool will be getting new woodchips for the playground that will need to be spread around.
