June has arrived and it is a time of “endings” as well as new beginnings. As some of our children “graduate” to new schools, or will return in the fall, we want to wish everyone a fun and safe summer. The children here for the summer may be changing classes to get ready for the new school year. We have a fun summer program planned, with water play days, movie days, special lunches and fun themed weeks.

Thank you so much for your gifts for Teacher Appreciation Week. We had so many “goodies” donated during the week and it was greatly appreciated.

The children are getting excited about performing for graduation. They have been practicing their favorite school songs and chapel songs to perform for you! Remember to bring your cameras!!

Many children will be leaving to attend TK at their public school. Just a reminder: in our Pre Kg classes, your child will be in a smaller group (no more than 12 children), and with more individualized curriculum to get ready for Kinder.

Father’s day will be here soon and the children are making special gifts for their fathers as well. They are very excited about gift giving!

Reminder: It is school policy that you give a written two week notice if your child is to be withdrawn from the school, or you will be charged two weeks tuition in lieu of notice.

**Juneteenth is a new Federal, State, County holiday. The school will be closed**

**Friday, June 19.**
